

Terms and Conditions of SmileBOND Training and Lab Services

SmileBOND Systems, LLC, a Michigan based Limited Liability Company, offers Dentist training programs and related dental lab services based on their patented SmileBOND processes. Dentists (Trainees) accepting the offer of training and lab work and paying consideration for such in US dollars, enter into a binding contract under MI law. Trainees also agree to the following:

Non-Disclosure and Non-Compete

SmileBOND training and services involve and make necessary the disclosure of closely held trade secrets and proprietary information owned by SmileBOND, protected under US Patent Law. Three patents have been applied for and granted: 7,217,131; 8,366,445; and 9,717,573.

Smilebond's custom bonding shell has also been approved as an FDA Class II Medical Device.

Therefore, trainee understands and unconditionally agrees that:

- Trainee will not repeat or convey any of the training methods or instructions to any other individual, entity or party
- Trainee will use the methods taught solely for profit in their own practice, on a case by case basis
- Trainee will use **only** SmileBOND Lab for SmileBOND treatment cases and will operate under a "single-use license" for each case treated
- Trainee will not modify, adapt, or copy SmileBOND training or services to form another competing business or operation, or enable others to do so

Release and Hold Harmless

Although SmileBOND offers training, guidance, and advice about using its unique methods of treatment, and provides lab services and tools needed to deliver such, SmileBOND cannot and will not be responsible for the results of any interaction between any dentist and their patient.

SmileBOND will monitor case results as a means of quality control, and to protect the integrity of the SmileBOND brand, and reserves the right to decline case licenses or lab fulfillment to any provider not meeting quality standards. However, these efforts do not imply any kind of contract between SmileBOND and any patient. Trainee accepts sole responsibility for each treatment outcome with their patients, and

hereby releases and holds harmless SmileBOND and its owners, employees, agents, assignees and heirs from damages or claims made regarding their case treatments.

Should a dispute about these terms arise unable to be resolved by SmileBOND and Trainee, both agree to engage in a dispute mediation process governed by an appropriate body or mediator proficient in such matters in the State of MI.

Contracts, Agreements and Licenses Between SmileBOND and Trainees are governed by State of MI law.

Trainee hereby attests to understanding and agreement with these Terms and Conditions.
